Babcock

Celebrating the life of Jason Gary Babcock. Be the first to share your favorite memory, photo or story of Jason. This memorial page is dedicated for family, friends and future generations to celebrate the life of their loved one.

Our Mission. Since 1970, the Babcock Center has pioneered an inclusive and barrier-free community for people with lifelong disabilities. To date, over 5,000 individuals have directly benefited from employment opportunities, independent living and life skills, and enriched community connections.

The BrightLoop technology is a novel chemical looping process that is based on the oxidation and reduction of an oxygen carrier particle. The feedstock reacts with oxygen-carrier particles in a fuel reactor, forming reaction products which are predominantly CO 2, while reducing the oxygen-carrier particles.. The reduced oxygen-carrier particles then move to a hydrogen reactor where ...
