Designer: Airiva Renewables Inc. Client: Airiva Renewables Inc. Project Description. The Airiva wind turbine wall is a modular, scalable and smart wind energy system consisting of an array of vertical wind turbines within a contemporary frame. The elevated design integrates within the architecture, infrastructure and superstructures of our urban ...

Doucet believes that while larger wind turbines may offer greater efficiency, Airiva presents a compelling trade-off with its smaller footprint and striking design. Beyond mere functionality, Airiva turbines have the potential to elevate corporate sustainability efforts, serving as beacons of environmental stewardship and architectural beauty.

AIRIVA RENEWABLES, INC. AIRIVA RENEWABLES, INC. (DOS ID: 6489606) was incorporated on 05/19/2022 in New York. Their business is recorded as FOREIGN BUSINESS CORPORATION. The Company's current operating status is Active. Company Info DOS ID: 6489606 ...
