Who is Sterling & Wilson solar?

Sterling and Wilson Solar director & CEO Bikesh Ogra said: "We are delighted to have won two major solar projects in Australia. Our total order book in Australia now stands at about \$870m (A\$1.2bn) with five projects and a portfolio of more than 1.1GW, making us the largest home-grown solar EPC player in the region.

When was American Samoa acquired?

The United States took possession of American Samoa in the late 19th century, developing it into a major naval outpost; the territory's strategic value was reinforced by the Second World War and subsequent Cold War.

Where is Samoa located?

Centered on 14.3°S 170.7°W, it is 40 miles (64 km) southeast of the island country of Samoa, east of the International Date Line and the Wallis and Futuna Islands, west of the Cook Islands, north of Tonga, and some 310 miles (500 km) south of Tokelau.

Who is American Samoa famous for?

Boxing: Maselino Masoe, who represented American Samoa in three consecutive Olympics from 1988 to 1996, was WBA middleweight champion from 2004 to 2006. Professional wrestling: Several American Samoan athletes have been very visible in professional wrestling. The Anoa'i family in particular has had many of its members employed by WWE.

When did American Samoa become a part of the United States?

The international rivalries were settled by the 1899 Treaty of Berlin in which Germany and the U.S. divided the Samoan archipelago. The eastern Samoan islands became territories of the United States and later became known as American Samoa. The U.S. formally occupied its portion, with the noted harbor of Pago Pago, the following year.

How did the US influence American Samoa during World War II?

During World War II, U.S. Marines in American Samoa outnumbered the local population, having a huge cultural influence. Young Samoan men from the age of 14 and above were combat trained by US military personnel. As in World War I, American Samoans served in World War II as combatants, medical personnel, code personnel, ship repairs, etc.
