

Aruba zebra battery

Does Aruba Uxi agent use zebra wireless insights?

Apply Zebra License and Activate Wireless Insights - The UXI Agent uses the Zebra Wireless Insights service. The Wireless Insights service is a licensed feature from Zebra and is not included in your Aruba UXI Agent for Zebra subscription.

How do I Optimize my Aruba Uxi battery?

You can do this manually on the device by going to Settings -> Apps and Notifications -> Advanced -> Special App Access. From the menu select Battery Optimization. Select All Apps from the dropdown, scroll down to locate the Aruba UXI Agent in the list. Select Aruba UXI Agent and select Don't Optimize and click Done.

How do I Optimize my Aruba Uxi agent?

From the menu select Battery Optimization. Select All Apps from the dropdown, scroll down to locate the Aruba UXI Agent in the list. Select Aruba UXI Agent and select Don't Optimize and click Done. You can also scan the following barcode in stagenow after the agent is installed.

How do I install the Aruba agent?

It is recommended to install the agent from Google Play through your MDM and use Managed Configurations to apply the provisioning token, but it can also be installed from Google Play locally on the device. If your MDM is not integrated with Google Play, you can also Download the Agent from the Aruba Support Portal (ASP).
