Published: 30.11.2023. ??? We would like to share with you a new endeavour we are taking part on: Asantys Systems GmbH is one of the founding partners and shareholders of AfricroozE - The African e-Bike, a pioneering company dedicated to revolutionizing mobility in Africa with their innovative e-bikes.

As an EPC company with the target markets of Africa and Asia, we implement turnkey solar projects for our partners in the areas of off-grid and grid-connected photovoltaic systems, back-up systems, water pump systems and fuel-save systems. When implementing projects, we work hand in hand with project developers, project financiers and operators.

In 2022, after 13 years of successful project implementations in more than 50 countries and having delivered more than 7600 solar systems worldwide, Asantys Systems has adapted its business model to the matured solar markets it is serving and now provides an alternative sales channel: Asantys Components B2B online shop.
