Designer, HVAC- ATVAGA ENERGY LLC &#183; I& #39;m HVAC Drafter. I develop detailed drawings for HVAC systems, including ventilation, air conditioning, heating and cooling. For this, I use computer programs to automate the process of drawing and creating project details, such as Revit and AutoCAD. Collaborate with other engineers (e.g., architects, plumber drafters) to take into ...

Driven by a lifelong passion for architecture and a firm determination rooted in my childhood aspirations, I have a desire to shape the world around me through innovative design and creative solutions. Having an unwavering dedication to this field, I strive to learn and put in the effort to make world a better place in a sustainable way. | ?????????? ?????? ??? ?????? ...
