In 2013 I returned to Barbados and founded Solar Genesis Inc. which focuses on design, consulting and project development. It quickly became apparent that for solar PV to make a significant difference in Barbados, customers needed to be better informed about the technology. As a result SolarBarbados was born, to increase the solar PV ...

The off-grid solar electric systems consist mainly of solar panels or photovoltaic panels (PV), batteries and a DC to AC inverter. The solar panels convert energy from sunlight into electrical dc energy.
