Sunrun makes it easy to transfer your solar lease agreement to the new homeowners. Our service transfer specialists handle everything from educating realtors and potential buyers to working with escrow officers, title agents, home inspectors, and anyone else who might need to know about your system or solar lease agreement.

According to the consumer, a Bright Planet salesman came to her door on August 14, 2023 and offered a 25-year SunRun solar lease for \$306.98 per month. The consumer rejected the offer. Months later, Grumet contacted the consumer's father, who also resided at the home, to ask if he was interested in the SunRun lease. The father also rejected ...

Going Solar with Sunrun Getting a solar system is pretty amazing - but it's also a big deal. So before you make the smart decision to give yourself lower electric bills and cleaner skies, we wanted to explain how your billing will work ...

While there's plenty more to learn and know about the history of solar, we wouldn't be where we are today without these great innovators and thinkers. They may all be long gone, but their legacies live on -- in energy policy, on your roof, in your energy savings, and in the ideals we hold dearly here at Sunrun. Solar as a
