SetSolar Centurion is a leading supplier and installer of solar solutions and power backup systems for the residential and commercial sector. The SetSolar brand was established in 2007 and has grown exponentially.. SetSolar Centurion now extends its expertise beyond solar panels to provide cutting-edge backup water solutions and panel cleaning services.

SetSolar geyser systems use solar panels to power existing electrical geysers (up to 4kW elements). Hybrid Power Setup The solar geyser systems can be set up to operate as a hybrid between AC and PV power, where AC power is partially used to heat up the water and the solar panels heats it up further, significantly cutting costs.
