

Bouvet Island ion solar llc

Is ion solar a good company?

It also partners with Habitat for Humanity, Encircle and Feeding America. The Better Business Bureau (BBB) awarded ION Solar an A+ rating, and many positive customer reviews support the company's reputation as an emerging leader in the industry. However, other reviews mention the company being pushy. What Can You Expect From ION Solar?

Are ion solar panels a reputable company?

If you are considering solar panels find a reputable company that stands behind their equipment without charging you ridiculous service fees to diagnose the issue with their equipment. The ION Solar company was very thorough and swift with their work.

Does ion solar charge a cancellation fee?

Terrible customer service was reported by a different user. Despite multiple delays and lack of updates, Ion Solar charged a cancellation fee and later invoiced the user for the same fee, even after it had been paid. A customer who had solar installed by Ion Solar mentioned that their energy bills doubled after installation.

Do commissions affect ion solar?

Commissions do not affect our editors' opinions or evaluations. Making the switch to solar is a big decision, but ION Solar makes it easier. This full-service solar company offers a streamlined experience because everything from installation to warranties to financing is done in-house.

Are ion solar panels too expensive?

These solar panels are far too expensive to not receive adequate customer support when their equipment fails. Beware, as it turns out solar panels have an approximate life span of twenty years, which is how long ION "generously" offers their financing for.

Does ion solar work with subcontractors?

ION Solar does not work with subcontractors. To streamline the process of switching to solar, everything from design to installation to financing is taken care of in-house. ION Solar installs solar panels from Silfab, a top manufacturer. These panels are touted for their 30-year performance warranty.
