Cotswold Energy Group Ltd (CEG) replaced my old gas boiler gravity-fed system with a mains-pressure ASHP system. That included both a unit that utilises the spare energy from our solar panels to heat the water, and a monitoring system (MMSP) that provides historical information on how the system is performing.

Cotswold Energy Group LTD.. Are a good company to deal with. They give expert advice, effective solutions. Very helpful. On time and very polite. I was really impressed with how neat and tidy their work is. A company to be recommended, especially if you are uncertain which products are the best for your house..
