Solar Power on Christmas Island. Our ambition is to help lead Christmas Island towards a sustainable future based on renewable energy. PRL Group have committed towards rooftop solar for all its owned properties on the island, and the design and development of a large-scale solar energy system for Christmas Island.

In 2022, we announced a new strategic direction for the business, which included setting a new vision, purpose and values. As part of this adjustment, we rebranded in each island and set out to transform and diversify the products and services we offer to support the energy transition; with a focus on new technologies and energy management.
