

Companies that install solar panels Samoa

Just as Einstein's discovery changed the world, eEquals -- formerly known as CR Solar -- seeks to balance the equation. As one of the top solar companies in Illinois, we have made it our mission to help our clients fight back against the big power companies and take their energy needs into their own hands.

Tesla has announced their solar panels are nearly entirely powering the island of Ta'u in American Samoa. The island used to depend entirely on imported diesel fuel for its electricity, but a new initiative has seen the islanders build a 1.4-megawatt microgrid that absorbs and stores solar power for all their energy needs.
