

Congo Republic schutten solar

Who is Anhui Schutten solar energy?

Anhui Schutten Solar Energy Co.,Ltd.,founded in 2013,is a national high-tech enterpriseintegrating advanced technology and innovative capabilities. We specialize in the R&D,production,and sales of photovoltaic products,providing solutions and services for photovoltaic power stations and systems.

Who is Schutten solar energy?

Schutten Solar Energy Co.,Ltd. is a national high-tech enterprise owned the world-leading PV module production Line.Schutten focuses on the production and sales of PV modules. And also provide the design,installation,and after-sales services of the PV power stations and PV power systems.

Where are Schutten PV modules made?

Currently,Schutten has two PV module production bases located in Chinaand Thailand,with world-class production and testing equipment which are used to produce double-glass,multi bus bars,half-cell and other high-efficiency PV modules.

Where is Schutten manufactured?

Schutten Owns two production basis in Chinaand Thailand.Schutten brought in the world-class PV module production line in Year 2020,which can produce high-efficiency PV modules such as film,double glass,multi-busbars,and half-cells PV modules.

How many countries does Schutten sell in?

Through strict quality control system,perfect production,quick after-sales service,Schutten has built sales channel in 177 countries,including India,Germany,France,Serbia,Hungary,Bangladesh,Switzerland,Italy,Australia,Spain,Poland,Thailand,South Africa,etc.
