If you are thinking of hiring EnergyWise Heating and Air Conditioning, we recommend double-checking their license status with the license board and using our bidding system to get ...

This was our first experience with EnergyWise Heating & Air that required service. The owner of the company dealt directly with our AC repair in a timely and professional manner. Even though our unit is almost 20 years old, we were offered options to keep this unit running as long as we can before having to take the plunge for a new unit.

Motor delivers 250 CFM of pure air, without adding static pressure to the HVAC system Versatile installation -- duct-mounted, collar-mounted, or free-standing The AirWise 250 Exceeds The ASHRAE 62.2 Standard for Indoor Air Dilution
