

Eni ventures Lesotho

Who is Eni venture capital?

We are the corporate venture capital company of Eni. We are investing in high-growth start-ups to boost the energy transition to a zero-carbon future. Our Boston and London offices were opened late 2019. Since then our team focused on the main objectives arising out of the Eni's Strategy and Eni's Master Technology Plan.

What is Eni next?

Eni Next is Eni's Corporate Venture Capital company, created to integrate corporate research, carried out by internal and external researchers and in joint projects with other partners, with open innovation, enhancing the value of dynamic and innovative start-ups through early-stage financing and successive capital increases.

Who approves the annual guidelines for Eni next's corporate venture capital activities?

Eni Next's Board of Directors approves the annual guidelines for the company's corporate venture capital activities. The invaluable expertise of our External Advisory Committee (2019-2020) has provided excellent guidance and stimulus as we analyze future opportunities and challenges. Eni Next is the corporate venture capital company of Eni.

Why is Eni next investing in high-growth start-ups?

We are investing in high-growth start-ups with the most disruptive technologies. Eni Next is contributing to Eni's transformation through investments in startups which are developing technologies for producing energy with low carbon footprint: renewable energies, energy storage, and magnetic fusion are some of the focus areas.
