Equatorial Guinea: Many of us want an overview of how much energy our country consumes, where it comes from, and if we're making progress on decarbonizing our energy mix. This page provides the data for your chosen country across all of the key metrics on this topic.

Our roof was badly damaged and Pasat Roofing did an excellent job for replacement. From the onset, they were ontime (in fact, they were early); the estimate was a fair and honest price; the workmanship was exceptional; their workers were very professional; they left the building spotless clean before, during and after the job; and we passed inspection with no issues.
