Does Blackstone own esdec solar group?

Blackstone (NYSE: BX) and Rivean Capital have completed the previously announced acquisition of Esdec Solar Group B.V. ("Esdec" or the "Company"), the global market leader in rooftop solar mounting systems. Read the full press release [here](#).

What services does esdec offer?

Esdec is a leading mounting solution brand for pitched and flat roofs, popular amongst solar professionals across Europe. Our colleagues from Customer Service, Marketing and Sales are available to provide support and advisory about Esdec and its products. Additionally, we offer a variety of services, including digital tools and in-person trainings.

Why do installers use esdec?

With these services, we make the installer's work easier. Over 12,000 installers in more than 20 countries now see Esdec as their partner in mounting systems. Esdec is a leading mounting solution brand for pitched and flat roofs, popular amongst solar professionals across Europe.

Does esdec offer installation training?

Amisha Parekh: What stood out to me is that Esdec offers installation training focusing on safety and efficiency while also improving ease of installation for its mounting systems--both of which can help to mitigate the imbalance between the huge demand for solar panels and the shortage of installers.

Why is Blackstone partnering with esdec?

We believe this partnership with Esdec is going to allow access to reliable, low-cost rooftop solar solutions for other businesses Blackstone invests in, creating opportunities to generate value for Esdec by driving decarbonization across our portfolio. JP: Blackstone is the largest owner of commercial real estate globally.

Is esdec an emerging champion?

We've been monitoring Esdec as an emerging champion since 2020, when we started building a relationship with Rivean Capital, a European private equity firm that acquired Esdec in 2018. Earlier this year, Rivean chose us as a partner to support Esdec's next phase of growth.
