The Alberta Energy Regulator has issued an order suspending all of Mojek Resources Inc.'s wells, facilities and pipelines after failure by the Calgary-based company to clean up multiple spills and comply ...

Post completion of the transformative acquisitions in early 2018, Mojek will operate approximately 54 producing wells across a substantial land base of 38,500 acres of conventional oil production. The company's daily net production will be approximately 1200 boepd post field development.

It says Mojek holds AER licences for 32 wells, 35 pipelines and one facility, and owes \$1.76 million in security to the AER for its end-of-life obligations, along with debts to the OWA and the AER.
