Who is Kioto solar?

Kioto Solar is a photovoltaic modules manufacturer with solutions suitable for every type of photovoltaic system, from small residential to large plants. Panels are conformed to all the strictest regulations and are chosen to the highest standards. Photovoltaic modules are offered in kits, in conjunction with storage and inverter.

Which photovoltaic solutions do Kioto solar offer?

KIOTO SOLAR offers photovoltaic solutions for every application: whether modules for classic rooftop systems, canopies or ready-to-use plug & play photovoltaic modules. Photovoltaic modules convert sunlight into energy.

What is Kioto solar sonnenkraft?

Kioto Solar SONNENKRAFT produces photovoltaic modules under the KIOTO SOLAR brand. Building as a power station SONNENKRAFT turns buildings into power plants and reduces energy costs by up to 75%. Satisfied customers More than 1 million customers rely on quality products from SONNENKRAFT.

Is Kioto solar future-proof?

Future-proof SONNENKRAFT has been developing future-proof solar solutions for over 30 years. Kioto Solar SONNENKRAFT produces photovoltaic modules under the KIOTO SOLAR brand. Building as a power station SONNENKRAFT turns buildings into power plants and reduces energy costs by up to 75%.

What are the advantages of Kioto solar?

Advantages: o High-end-power module thanks to continuous quality control o Use of anti-reflective glass for higher performance o Optimized weak light behaviour for higher yields KIOTO SOLAR's solar collectors set new standards in terms of perfect space utilisation and design.

Why should you choose Kio solar?

75% yearly cost savings 150 MW photovoltaic modules annual output 15.000 freshwater stations, stratified layer stations & heat exchangers annual output one of Europe's leading system suppliers for heat and power KIOTO SOLAR's high-quality power modules stand out through being maintenance-free and gaining high yields.

Kioto Solar photovoltaic modules surpass all the quality standards stipulated in European markets. The panels are manufactured exclusively in Austria using the very latest equipment. Kioto solar modules are delivered with innovative aluminium frames for flexible mounting options. The output and yield are optimized mainly using them in on-grid ...
