"Lunyati Solar Energy Cooperation brings together a team of enthusiastic, dedicated and experienced minds in the renewable energy sector in Zambia. A team that is passionate about rethinking energy in terms of making deliberate efforts to contribute to a clean environment as well as monetizing the sector.

According to Akapelwa Akapelwa, the director of Margam Valley Solar Energy Corporation, the consortium of which his company is a member plans to generate a total of 400 MW of electricity from thermo-dynamic solar energy in the Copperbelt province. Such an output is expected to increase the share of renewable energy in Zambia's electricity mix.

activity is in fact limited to the capital city of Bissau. On January 17, 2019 the Council of Ministers approved the revised statutes of EAGB to bring them into alignment with OHADA's Uniform Acts¹. The new statutes transformed the publicly owned company in a limited company whose only shareholder is the State of Guinea Bissau.
