In part, the focus on a Kamajor war machine obfuscates a larger reading of political events in Sierra Leone. Hoffman brilliantly shows the political game around the Kamajors, but curtails the same connections and ties for other military players such as RUF, NPRC (National Provisional Ruling Council), AFRC (Armed Forces Revolutionary Council ...

To help ensure that you select the right cooling solution for your control panel, use the Enclosure Temperature Management (ETM) Calculator. The ETM calculator will help determine whether the control panel cooling needs will require an air conditioner, an air to air heat exchanger or a filtered fan package. Additionally, results will show which size and type of air conditioner will provide ...
