

Iceland elepac limited

Who is elepac limited?

Elepac Limited is a manufacturing Company established in 1995 to produce high precision injection moulding products & warehouse packaging materials mainly for the electronic and toy industry.

Why is elepac moving to a new factory in Al far?

The Elepac company, based at Bulebel, is to relocate to a new factory at the Hal Far industrial zone as a result of a 13 million euro investment. The company manufactures products for the electronics and toy industries. The Economy Ministry stated that 35 new jobs will be created as a result of this investment.

Where is elepac relocating?

Local manufacturing firm Elepac will be relocating to its new factory in Hal Far from Bulebel as part of an investment EUR13 million, through which some 35 new jobs will be created. This was announced by Minister for the Economy and Industry Silvio Schembri during his visit to the new factory at Hal Far where works are being carried out.

Who is elepac injection moulding?

Elepac produces high precision injection moulding products mainly for the electronic and toy industry. In the last few years, Elepac has successfully embarked on a programme of increasing both its electronic packaging product lines as well as its customer base.

Where does elepac export its products?

Elepac Chief Executive Joseph Borg said the company exports its products to European markets and beyond, including Singapore and the US. Mr Borg added the company will continue to increase its competitiveness by exploring, among others, trade opportunities in North Africa, especially in Morocco.

Does elepac have business opportunities in North Africa?

It is also exploring business opportunities in North Africa, particularly Morocco. Elepac's Chief Executive Officer Joseph Borg pointed out that in recent years the company invested in a plant and machinery and will be investing further through the relocation and the purchase of new machinery. "We look forward to moving to the new facilities.
