Solar Panels Installation in Isle of Man. Accredited, Recommended & Approved Solar PV Installers. Top-rated Solar Panel Company. Request a Free Quote Today. Toggle navigation. ... A solar battery is required for storing backup electricity in case you wish to go off-grid. However, it is also important to connect the inverter to the grid.

Cost - Solar PV panels can be quite expensive to buy initially. Space - Solar PV panels do take up quite a lot of roof space compared to solar thermal systems. Wasted energy - These panels produce a good amount of energy, however they have no way of storing excess power. Unless you buy a solar battery, this extra energy will be wasted.
