

Italy swatten battery

Shanghai Sieyuan Watten Technology Co., Ltd. Member of Sieyuan Electric Co., Ltd. Powered by Sieyuan
• Easy installation, stackable design with MC4 connectors • Lightweight modules, 35kg per
module • IP65 protection rating • 10 Years warranty & 6000 Cycle life • Dual-layer
insulation protection for battery cells and BMS

Swatten also plans to expand a 300-acre module pack and PCS production base by the end of 2024 and add a
240-acre battery production unit, with an annual production capacity of 1GW. These expansions are designed
to optimize our production processes, upholding our commitment to excellence in quality and reliability.

Italy's energy development aligns with this goal, ... Swatten's single-phase hybrid inverter leads the industry
with an exceptionally high DC input oversizing capacity ranging from 210% to 330%. This feature allows
customers to maximize battery charging capacity and optimize solar energy utilization, ensuring economic
benefits. ...
