Jaha solar Sri Lanka

applies to new customers ...

In the last decade, solar power capacity has grown tremendously to become the fastest-growing source of renewable energy in the world. Solar power directly contributes to the Sri Lanka's energy security and independence, as well as helping to meet rising electricity demand and CO2 emission reduction goals.

Like most people in Sri Lanka I too was on the look out for a viable solution to the looming power bill. I came across REM Solar on FB amongst many other vendors all of whom I contacted . The response however was totally different from REM, the response to educate on the workings of the system was primary rather than to make a sale.

Sri Lanka awards 18MW of solar plants to Mahawa Solar, Hayleys Power, Capital City. Tuesday March 12, 2024 3:00 pm. Tuesday March 12, 2024 3:00 pm. ...
