

Kmd energy solutions The Gambia

Is hydrogen a solution to the Gambia's energy deficit?

One month later, the government signed another MoU with H2 Gambia Limited, a subsidiary of the UK-based HydroGenesis Group, at African Energy Week 2023 in Cape Town to further explore the commercial prospects for hydrogen production. Renewable energy and green hydrogen present a dual solution to The Gambia's energy deficit.

Is the Gambia ready for a green energy revolution?

The Gambia's green energy revolution, its commercial potential for green hydrogen production and more will be explored at the upcoming MSGBC Oil, Gas & Power 2023 conference and exhibition.

Why is the Gambia embracing green energy initiatives?

The Gambia is embracing green energy initiatives in an effort to raise national electrification rates and lower energy costs for its citizens.
