The Ryobo One+ battery loppers slice through branches, both green and mature, with no manual force. The design is similar to pole loppers, like our best pole pruner pick, but with the ease of use expected from a battery-powered model.

This particular deal strikes me as a "clearing out" sale, where Home Depot has applied additional discounts on top of recent seasonal deals. For example, instead of \$199 for their Ryobi Days ...

Ryobi USB Lithium Compact Hand Vacuum Price This vacuum comes as part of a kit, selling for \$99.98 with two batteries included. If you'd like, The Home Depot also offers a kit that includes ...

Lithium-ion batteries benefit from being stored at about 50 percent charge, which helps with overall battery life. Fully charged lithium-ion batteries self-discharge more quickly, so plan on checking every three months if you ...
