Lumos Global General Information Description. Provider of an off-grid solar system intended to offer electricity distribution services. The company's smart solar systems operate through a mobile phone and can power lights, cell phones, fans, computers, TVs and other small electronic devices, enabling customers to pay only for their usage using airtime.

Lumos takes away this issue altogether and provides households and small and medium businesses across Nigeria and Côte d'Ivoire with clean, reliable and affordable energy, giving millions of people one less thing to worry about. Discover the stories from happy Lumos customers as they share 5 of the ways Lumos makes their every day easier.

Lumos offers clean, affordable solar power to a market of 1.3 billion potential customers who live off the electricity grid. Lumos enables people to replace hazardous and expensive kerosene generators and lanterns with modern solar electricity that can power lights, cellphones, fans, computers, TVs and other small electronic devices (all at once, every day).
