

Maldives avgarcia power systems corp

As an Energy Resources Company, we must be aware of how our projects will impact the community it will eventually become a part of. In each project we develop, we must integrate community engagement practices to ensure that the community understands and is aligned with the objectives and goals of our energy projects.

With over a decade of hands-on experience as a detail-oriented Project Manager, I have successfully led the Project Management Office for multimillion-dollar construction projects in the power industry. I consistently delivered results throughout my career, managing projects totalling \$10M, encompassing transmission lines, switchyards, and power plants.& It;br& gt;& It;br& gt;As ...
