Yes totally worth, the 3k kilometres for Rs1000 is not with the solar panel, just plain consumption. But with solar panels, my electricity bill comes around Rs 3-4k average, bear in mind I have 2 electric cars and the house consumption as well. Highly recommended the Kona, it's comfy and cheaper now compared to Ioniq 5 which is more expensive.

Wholesale Solar Battery for sale! A solar battery is a device that is charged by a connected solar system and stores energy as a backup for consuming later. Users can consume the stored electricity after sundown, during peak energy demands, or during a power outage. Why Use Solar Power Storage? Using a solar battery can help users to reduce the amount of electricity they ...
