

Is Mexico City a city or city?

Mexico City, city and capital of Mexico, synonymous with the Federal District (Distrito Federal; D.F.). The term Mexico City can also apply to the capital's metropolitan area, which includes the Federal District but extends beyond it to the west, north, and east, where the state (estado) of Mexico surrounds it on three sides.

Is Mexico City the capital of underdevelopment?

Mexico City is a metropolis of contrasts, a monument to a proud and industrious country also faced with many problems. Some observers have fixated on the city's dangers, horrors, and tragedies--views that were reinforced by the Mexican novelist Carlos Fuentes when he called the city "the capital of underdevelopment."

Is Mexico City a liberal city?

Mexico City is one of the most liberal cities in Latin America. Contrary to other Latin American capitals, it has a political orientation far to the left of the rest of the country. The centre-left PRD has governed the city continuously since its citizens were allowed to elect its mayor and representatives since 1997.

Is Mexico City a UNESCO global network of Learning Cities?

Mexico City joined the UNESCO Global Network of Learning Cities in 2015. In the Plaza de las Tres Culturas is the Colegio de Santa Cruz de Tlatelolco that is recognized for being the first and oldest European school of higher learning in the Americas and the first major school of interpreters and translators in the New World.

Is Mexico a state or state?

Mexico City proper (with an estimated population of 9.2 million) is the country's capital, and since 2016 has been a "federal entity" with the same powers as the states of Mexico, though still separate from the states.

How to call Mexico from a mobile phone?

For a mobile phone, you might need to add a 1 between the +52 and 55. If you want to make a long-distance call in Mexico from a landline, you should dial the prefix 01 for national calls followed by the area code. From a mobile phone, start from the area code.
