What are some values of Burmese-ness?

However, some values of Burmese-ness are visible across most of the country. For example, most (if not all) Burmese show a deep respect for elders, dress modestly and act with discretion towards the opposite gender. Subtle, indirect behaviour is also characteristic to the Burmese character (see more on this in the following section).

What makes a Burmese person a good person?

The Burmese are typically gentle, considerate, good-humoured and patient people. They appear to have a lot of gratitude for their situation, as well as hope for the future. This aspect of the Burmese character is particularly commendable when considering that the country continues to endure one of the world's longest-running conflicts.
