Everybody already know Solar Flare is a Sunflower and in games like the Garden Warfare the Sunflowers are a Support category. But Multiply that power by thousand and you will have Solar Flare, so it would not be crazy to think that she also has the ability to heal, as the rest of the fault plants have Peculiar powers Heroes would not be the ...

(Pre-2022) They came. And so they were also very interested in PvZ. Look Solar Flare is goddamn 14 and they are doing disgusting things to her like E-s#x or drawing of her being sexualized like bro, I give up on humanity at this goddamn point. Like for example Peashooter X Sunflower this is just an example now next Solar Flare NSFW. (My opinion.
