

The name "Macedonia" comes from the ancient kingdom of Macedon, home to legendary figures like Alexander the Great. Both countries trace their heritage partly or wholly to this kingdom, hence the struggle for the name. In 2019, the Republic of Macedonia adopted a new name, North Macedonia as a solution to this contentious issue.

hello I wish someone with experience could help. I have 2 24v batteries with LFP 200ah cells. One has a BMS device name JBD-SP10S009-L8S-100A-B The other battery has a BMS device name 15300044-SP10S009-L8S-100A both from JBD manufacturer. I want to connect them in series to get 48v, because...

North Macedonia's revision of the Positive List of Medicines after a 15-year gap was the focus of a high-level policy dialogue held by the Ministry of Health of North Macedonia, with WHO support, to address the country's ongoing challenges in ensuring access to essential medicines. The Positive List has been established as a mechanism to determine ...

North Macedonia's central bank lowered its benchmark interest rate by 25 basis points to 5.80%, marking its second consecutive cut after holding rates steady for six consecutive sessions. This decision reflects the central

bank's assessment that current economic conditions allow for a cautious normalization of monetary policy. The annual ...

North Macedonia has lots of fruit teas (ovosen caj) and mint tea (caj od nane), and their mountain tea (planinski caj) is a refreshing drink served in all the mountain huts and many restaurants. Majcina dusica (mother's little soul) tea is also a very popular tea of wild thyme. And beware the hot chocolate - it is often a filling warm ...

So I'm new to the DIY battery world and had a few questions on what some more experienced users would think would be a good architecture for communicating with several JBD-SP10S009 BMSs at once. These were the only ones I could find in stock (I don't use alibaba or those types of sites) and they only have 1 UART port to connect to.

In 2018 Greece and Macedonia came to an agreement for the latter to change its name to the Republic of North Macedonia. This decision was met with hostility from many (North) Macedonians (over 60% of them abstained from the vote). Regardless, the Prespa Agreement was ratified in January 2019.. With this in mind, North Macedonians still consider ...

For North Macedonia, its ability to contribute to this vision will be closely tied to its own strength as a democracy. As such, the U.S. Mission in North Macedonia will prioritize two goals to guide our diplomatic, programmatic, and technical engagement from 2022 to 2025. First, we will deepen North Macedonia's democracy and

Macedonia is a former Yugoslav republic that gained independence in 1991. Macedonia is a country with many ethnic minorities. Macedonians are descendants of the Slavic tribes that invaded the Balkan Peninsula before the Macedonian Peninsula in the 5th, 6th, and 7th centuries CE, settling in the Danube river basin and in the region of Macedonia, encountering ...

In October 2021, North Macedonia became one of the first countries among the Western Balkans partners to issue a digital ID to its citizens []; the deployment of the digital identity project is only indicative of the country's turn towards digitalisation and e-government.
