What is a Varta energy storage system?

The basic idea of an energy storage system is the ideal management of the differences between the generation of electricity and the actual consumption. With a VARTA energy storage system, you can temporarily store the energy you have produced yourself and use it when you actually need it.

Does Varta offer a warranty on batteries made in Germany?

As battery experts made in Germany, we give you up to 10 years' warranty- because we know we can rely on our energy storage systems. 2 As a technology company, VARTA is the only provider of energy storage systems to have more than 130 years of expertise in batteries made in Germany.

How do I get a Varta warranty?

A prerequisite for VARTA to grant the warranty is the warranty registration via the VARTA Portal. As battery experts made in Germany, we give you up to 10 years' warranty - because we know we can rely on our energy storage systems. 2
