How much do solar panels cost in Portugal?

The prices for surplus solar energy range between 4 cent and 8 cent in Portugal. It does not really compensate the investment. So you should only install the solar panel system based on you own consumptions needs. It does make sense to install as well a battery. In Portugal you will need a lot of engery as well during the night.

Should I install a solar panel in Portugal?

It does not really compensate the investment. So you should only install the solar panel system based on you own consumptions needs. It does make sense to install as well a battery. In Portugal you will need a lot of engery as well during the night. What are the requirements for selling solar energy?

Can I sell surplus solar energy in Portugal?

Yes,it is possible. The important thing is that you sell the surplus solar energy that exceeds your own use and that you don't install the panel just to sell it. The prices for surplus solar energy range between 4 cent and 8 cent in Portugal. It does not really compensate the investment.

Are Cola solar a good company?

Cola Solar had good reviews, they were prompt and professional so we decided to choose them. We had a fantastic experience will Cola Solar and I would highly recommend them to family and friends Sarah Rowan from Victoria I was impressed with the Customer service from start to finish, and also after-sales help.

What's it like working with Cola solar?

Jeff Halacas from Victoria I'd like to pass on to the whole Cola Solar team it has been great doing business with you guys. Communication has been great right through the process. The work the guys did was Fantastic. The shop site is hard work in with a lot of traffic and your team worked great and very considerate of our busy little premises.

Is colasolar a good company?

ColaSolar replaced the pipes at a good price. In addition, due to bad timing, my water service broke just before I needed to travel overseas for work. ColaSolar's professionalism meant that I was able to address matters during my travels. I have full confidence in this business.

Founded in 2010, Cola Solar is a Bendigo-based family owned business providing solar and battery storage systems for homes and businesses throughout Central Victoria. The team at Cola Solar is committed to providing customers with the most energy efficient systems available and delivering these with certified professional service.

A solar pool cover has been installed in the pool at Solar das Laranjeiras. The villa does not have pool heating. This cover will only bring the pool temperature up by a few degrees. It will also protect the pool from leaves, insects and bird droppings. From the hall on the ground floor you access the two downstairs suites.

Had our solar installed with these guys... Had our solar installed with these guys over 2 years now, the installers were super professional. what impressed me most was that they were able to provide a great level of after care. Happy with the system and would recommend Resinc to anyone interested in adding solar to their home.
