Papua New Guinea's energy crisis remains one of the country's most critical barriers to economic growth, a theme that was at the forefront of Minister for International Trade and Investment, Hon. Richard Maru's address at the recent Petroleum and Energy Conference 2024 in Port Moresby. The minister highlighted that nearly fifty years after independence, PNG ...

Primus Power is among a handful of makers currently commercialising their flow batteries, with rivals that include RedT, VIZn Energy and Redflow. Early customers have included Microsoft, which installed a Primus battery at its corporate HQ in a pilot project. Andy Colthorpe spoke with Primus Power CEO Tom Stepien to learn more.

Earlier this week, we reported how Primus's longtime drummer Tim "Herb" Alexander quite abruptly quit the band, right after a long tour and before some pretty big plans ahead. In the statement the band released on October 29, they claimed Alexander pulled the most maturely fuckboi shit ever by quitting through email, shocking the members by saying ...
