

Prostar energy Gibraltar

ProStar has consistently proposed innovative procurement solutions to the marketplace in which has provided Digital Realty with advantageous energy management strategies. Our relationship is a true partnership, and we appreciate their commitment to our business."

Energy Procurement goes beyond a transactional competitive bid process. Our approach to develop an hourly risk mitigation strategy around the most expensive (250) hours of the year, allows us to deliver customers (1) certainty without paying premium (2) opportunity to capitalize on favorable market conditions and (3) flexibility to accommodate load change.
