

Re100 companies Zimbabwe

How many RE100 companies are going '100% renewable'?

Over 400 RE100 companies have made a commitment to go '100% renewable'. These members have increased their ambition, bringing forward their target dates for 100% renewable electricity.

Who can join the RE100 initiative?

Businesses all over the world can join the RE100 initiative organised by The Climate Group and CDP. RE100 companies make a commitment to go '100% renewable' and set a public goal to procure 100% of their electricity from renewable sources by a specified year, but their strategies vary in how they plan to reach their targets.

What if RE100 was a country?

RE100 member companies drive enough renewable electricity demand to power France. If RE100 was a country, it would be the world's 10th largest in terms of electricity demand. Take a look at our Technical Guidance and FAQs page for more information on our full technical criteria, reporting to RE100, and our FAQs.
