My question is: how does Facebook Pixel identify your FB user ID if you're browsing the site while logged out of Facebook? If you look at the cookies set by a site with Facebook Pixel installed, ...

I am in search of a Draw.io or Excalidraw that I can self-host. I tried WBO, it's fine but looks more like drawn in Paint. Are there close alternatives? P.S. - Diagram is possible to self host but ...

Looking for a weekly status report template? It is an explained document that gives the current state of your project including success of the project, effort of the team members and the risks which any project is facing. Template you can download in Excel and PPT format.

A good first step when writing a weekly status report is to spend 5 minutes and write out a high-level summary of everything you did last week. What were some of the bigger tasks on your plate?
