Will St Helena have 100% renewable electricity by 2027?

The Government of St Helena announces it has chosen a supplier, PASH Global, to provide a Renewable Energy solution for St Helena, aiming for 100% renewable electricity by 2027. It is announced that Connect Saint Helena and PASH Global have signed an agreement to potentially meet 100% of the island's energy needs from renewable sources.

How does connect Saint Helena generate electricity?

At present approximately 75% of the islands electricity is generated from burning fossil fuel (diesel). We have 4 generators which have a total capacity of 5,400kW. Connect Saint Helena Ltd is committed to reducing reliance on diesel power generation by harnessing renewable energy sources.

How many generators does connect Saint Helena have?

We have 4 generators which have a total capacity of 5,400kW. Connect Saint Helena Ltd is committed to reducing reliance on diesel power generation by harnessing renewable energy sources. Renewable energy is cheaper to produce and does not harm the environment.

How can connect Saint Helena reduce reliance on diesel power?

Connect Saint Helena Ltd is committed to reducing reliance on diesel power generation by harnessing renewable energy sources. Renewable energy is cheaper to produce and does not harm the environment. We currently have 12 wind driven turbines located at Deadwood Plain. These turbines provide in excess of 20% of the islands electricity.

What is a connect Saint Helena microgrid?

The agreement with Connect Saint Helena Ltd includes a microgrid for the South Atlantic island that combines a 568 kWp/500 kW solar farm; a three-turbine, 2.7 MW wind farm; and a 3.2 MWh/3.5 MW battery.

Does St Helena have double-glazing?

You can see the 2017 figures (right). St Helena households and businesses have also adopted a wide range of energy saving measures, driven perhaps by the very high cost of electricity on the island (in 2014 it was up to £0.42p per kWh, depending on consumption). Double-glazing is, however, uncommon on St Helena - it is rarely cold.

Travel restrictions caused by the COVID-19 pandemic resulted in lower numbers of visitors on St Helena - both St Helenian and non-St Helenian. But, from the 2020/21 Christmas holiday season into 2021 to present, there was a higher number of visitors arriving, with the 2021/22 and 2022/23 holiday seasons showing a more typical pattern. ...

St Helena's only Post Office is amalgamated with the Customer Services Centre to provide Post and Customer Services for the Island. The centre is situated on the Main Street of the capital, Jamestown, some 200 yards from the sea-front. The Post and Customer Services Centre is managed by a Customer Services Manager, supported by 10 [...]

This is a long-term, consistent partnership. We will support St Helena by providing technical support, and funding the transfer and subsistence costs for any migrants affected. Of course, this is not the first time that St Helena has supported the wider UK family. The agreement is testament to its integral place in our family.

The Labour Regulating Authority (LRA) is an independent statutory body created in 2010 by the Employment Rights Ordinance and it has a number of duties. These are: (a) to advise the Governor in Council and any relevant Council Committee on labour protection issues; (b) to investigate and determine claims made by employees under the Ordinance; [...]

The Public Service structure was implemented two years ago in April 2021, as part of a wider transformation programme, when St Helena Government moved from Directorates into larger "Portfolios" to ensure a more streamlined structure, with services and functions that have a shared or similar purpose grouped together under one senior manager. Recently in 2023 [...]

Sant'Elena; un'isola situata nell'oceano Atlantico centro-meridionale, a 15°55' di latitudine sud e a 5°42' di longitudine ovest e a circa 1 900 km dalla costa dell'Angola (Africa meridionale): costituisce un territorio britannico d'oltremare che comprende anche l'Isola di Ascensione e quelle di Tristan da Cunha ed ha avuto questo nome in onore di Sant'Elena di Costantinopoli.
