

Samlex europe b v Iraq

Samlex offers a wide range of fully automatic battery charger for the GEL/AGM and LEAD/ACID batteries as well as for the modern LiFePO4/Lithium batteries (CC/CV charging mode). With 3 different separate charging settings for Lithium batteries makes this 4-stage fully automatic battery charger unique besides the standard charging settings for other type of batteries.

Samlex Europe B.V. | 841 (na) tagasubaybay sa LinkedIn. Your complete source for commercial, industrial and consumer power conversion products. Samlex Europe has manufactured and distributed power conversion products & professional marine-mobile antennas to more than 90 countries worldwide since 1990. Innovative product designs, strict quality control, and ...

Trusted choice for several industries. When it comes to industrial power supply units, Samlex Europe is the trusted choice for the automotive, communications, trucks, and marine industries.. With our focus on delivering reliable, efficient, and safe power supply solutions, we enable businesses to achieve optimal performance and maximize productivity in their respective sectors.

Samlex believes power supply at industrial mobile sites is sometimes recreational and sometimes a pure necessity, but should always be safely and reliably available. Please contact Samlex Europe if you are looking for a specific application or customised (oEnn) products. Our specialists will be happy to offer the solution you need.

The IDC-200 series is a complete line of highly efficient 200 Watt isolated DC-DC converters suitable for applications requiring galvanic isolation between the input and the output. The IDC-200C-48 isolated DC-DC converter provides a highly regulated output DC voltage of 48 Volts for an input DC voltage range of 30-60 Volts and rated output current of 4 Amps (at 60 Volts ...

The IDC-360 series is a complete line of highly efficient 360 Watt isolated DC-DC converters suitable for applications requiring galvanic isolation between the input and the output. The IDC-360B-24 isolated DC-DC converter provides a highly regulated output DC voltage of 24.5 Volts for an input DC voltage range of 20-35 Volts and rated output current of 15 Amps (at 35 Volts input).

At Samlex, we provide a wide range of high-quality products designed to meet various energy conversion needs. With our commitment to innovation, reliability, and efficiency, we have established ourselves as a trusted name in the industry. Battery Chargers Our battery chargers are designed to efficiently charge your batteries, offering reliable energy solutions. View More ...

Samlex bietet eine breite Palette qualitativ hochwertiger Produkte an, die die unterschiedlichsten Anforderungen an die Energieumwandlung konzipiert sind. Mit unserem Engagement Innovation, Zuverlässigkeit und Effizienz haben wir uns als vertrauenswürdiger Name in der Branche etabliert. Batterieladegeräte Unsere Batterieladegeräte sind so ...

This highly efficient switch mode step-down DC-DC converter converts an input voltage of 24 VDC nominal (range 20 VDC to 35 VDC) to a highly regulated output voltage of 12 VDC nominal (13.8 VDC) at 30 Amps. The SDC-30 DC-DC converter is non-isolated (no galvanic isolation between input and output) and meant for use in negative ground systems. Features include ...

At Samlex Europe, we understand the importance of reliable power solutions and strive to provide our clients with high-quality, cost-effective products that are tailored to their unique needs. With over 30 years of experience in the industry, Samlex Europe has become a trusted partner for OEM/ODM customers worldwide.
