

Western Sahara Resource Watch, a Brussels-based NGO allied to the independence movement, estimates that by the end of the decade occupied Western Sahara could be supplying half of all Morocco's wind energy and a third of its solar energy, much of it headed for Europe. Morocco insists that the territory is part of Morocco.

Spain, the former colonial power in Western Sahara, said in 2022 it backs Morocco's autonomy plan. The U.S., Israel and Arab monarchies also back Morocco's sovereignty over the territory, where 28 ...

In the last months of 2020, Israel normalized its ties with four Arab countries. In the case of Morocco, the US issued a proclamation, recognizing Morocco's sovereignty over Western Sahara, making it the first country in the world to do so. What consequences such recognition will have on what is essentially a conflict in limbo is unclear.
