Solar Loans. If you don't have the cash to buy the system outright, a solar loan can be a great option. With a solar loan, you can finance the cost of your system and pay it off over time, typically with interest. The major ...

Solar Loans. If you don't have the cash to buy the system outright, a solar loan can be a great option. With a solar loan, you can finance the cost of your system and pay it off over time, typically with interest. The major advantage of a solar loan is that you still own the system, so you can take full advantage of tax credits and rebates.
