Solen SA Gabon, a subsidiary of Solen Renewable Dubai, has just launched the construction of the Ay&#233;m&#233; Plaine photovoltaic solar power plant, a locality located some thirty kilometres from the capital Libreville. The future ...

Guess I got spoiled, as my last trailer with a factory installed solar, had the display inside the trailer. Of course my trailer is headed back to the dealer, as the solar panels are putting out power, but there is no voltage from the solar panel wires at the solar controller box. Something in between the panel and box ain't right.
