St. Vincent and the Grenadines is a beautiful country with an incredibly low cost of living and plenty of natural beauty to enjoy. St. Vincent and the Grenadines, is a stunning island nation in the Caribbean,

St Vincent and Grenadines solar facade

consisting of a total of 32 islands, but only eight are inhabited.

The Grenadines was also affected, as the lack of rainfall and very warm temperatures had all but dried up the limited supplies stored on the islands. On many occasions, water had to be taken by ferry, trucked, and then distributed on the islands. This further added strain to the already limited supply on the island of St. Vincent.
