Who is panelclaw?

PanelClaw is a member of the Enstall family of companies. With headquarters in North America and Europe, we are the largest provider of PV racking solutions and services for buildings. Our unmatched track record of reliability provides peace of mind for our customers worldwide.

What does it mean to join panelclaw?

Joining PanelClaw means embracing a workplace that thrives on delivering top quality within large-scale solar projects. As a part of our dynamic, international team, you'll immerse yourself in project-based work, surrounded by experts who share your passion for making a meaningful impact on the world.

How does panelclaw work with ArcelorMittal?

We work together with ArcelorMittal to lower the carbon footprint of the steel value chain. By offering ArcelorMittal's XCarb® certificates, we can help customers lower the carbon footprint of the Wave mounting system, in a certified way. PanelClaw is part of the Enstall group.

1 At the time of this document's publication, no modules in the US market are in the width range of 1151 mm -1269 mm. Contact PanelClaw if you're considering a new module in this range. 6000016\_Rev06 - clawFR Dual Tilt Design Specifications
