Lektronix, a Rockwell Automation Business is one of the world's leading providers of industrial, electronic and robotic automation repairs and spares. Our state of the art workshops and highly skilled engineers enable us to repair over 200,000 industrial automation parts from more than 7,000 manufacturers.

The US Minor Outlying Islands have limited tourist infrastructure, and accommodation options are scarce. Here are a few options to consider: Research Stations: Some of the islands have research stations that offer basic accommodation for scientists and researchers. These stations may be available for visitors, but advance permission is required.
