Is the energy sector under a massive attack in Ukraine?

"The enemy continues its terror. Once again, the energy sector across Ukraine is under massive attack," Ukrainian energy minister German Halushchenko said on his official Facebook page. The extent of the damage had yet to be clarified, he said, while urging people to remain in shelters.

What happened in Kyiv on December 13?

People take shelter inside a metro station during a Russian military strike in Kyiv, Ukraine, on December 13. Russia launched a new widespread attack on Ukraine's energy infrastructure overnight, forcing the country to implement emergency power outages, Ukrainian authorities said on Friday. "The enemy continues its terror.

Did Ukraine make 'tangible hits' on Russian targets?

Ukraine acknowledged making "tangible hits on Russian targets," Wednesday, including military and energy facilities, but has not said what type of missiles were used. The United States on Thursday announced a \$500 million aid package for Ukraine in the coming days that will pull equipment out of US military stocks.

Will Biden increase weapons deliveries to Ukraine in 2025?

The Biden administration is working to surge deliveries of weapons to Ukraine in its final days in office in a concerted effort to put Kyiv on a strong footing going into 2025, according to a senior administration official.

What is Russia's latest attack on Ukraine?

Russia's latest assault comes after Moscow vowed on Thursday to respond to a Ukrainian attack on a city in southwest Russia, which Russia claimed involved six US-made ATACMS ballistic missiles.
